

Hexol

A
PROFESSIONAL QUALITY
Germicide
ANTISEPTIC • DEODORANT

For Bathroom, Feminine
Hygiene, Nursery Care

1 1/2 PINTS 24 FL. OZS.

ACTIVE INGREDIENTS: PINE OIL, ALPHA AND BETA TERPENEOL, AND
RELATED TERPENE DERIVATIVES; NEUTRAL ANHYDROUS SOAP
NEUTRAL INGREDIENT: WATER 19% HEXOL CO. SAN FRANCISCO CALIF. 94107

CAUTION Keep out of reach of children

For a Clean Smelling Sanitary Bathroom

Germicidal solution to disinfect: tablespoon
Hexol per quart warm water in wash basin.
Dip cloth or sponge -- wipe over fixtures to
quickly clean, make sanitary. Pour a little
Hexol in toilet to deodorize.

FOR THE MEDICINE CABINET

Feminine Hygiene. Teaspoon Hex-
ol per qt. warm water for cleansing, soothing
douche. Effective, gentle—non antiseptic for
this use. Caution: do not use more often than
twice weekly unless directed by physician.

Hot Tired Feet. Mix a little Hexol in
pan of warm water. Put feet in, move them
about for quick, comforting relief. For the
temporary relief of itching and discomfort due
to athlete's foot, apply Hexol to irritated
places. Common types quickly clear up.

Minor Cuts—Bruises. Clean skin,
then apply loose dressing kept damp with
healing Hexol. Caution: in case of deep or
puncture wounds or serious burns, consult
physician. If redness, irritation, swelling, or
pain persists or increases or if infection occurs
discontinue use and consult physician.

Nursery Care. To protect baby,
clean crib, bathinette, toys with tablespoon
Hexol per qt. water. Pour a little Hexol in
diaper pail to make sanitary and do away with
odor. When baby throws up, put a little Hexol
