when used regularly
as directed

NET WT. 14 OZS.

WARNING. Keep Out of Reach of Children
See Side Panel for Other Cautions

**DISTINCTIVE—
REFRESHING**

To reduce bacteria in the air in rooms, spray four to five seconds in average to large rooms, less in small rooms. Spray upwards toward center of room; close doors and windows; repeat treatment every two to four hours.

Refreshes smoke-filled and stuffy rooms, closets, cellars, etc.

WARNING. FLAMMABLE; DO NOT USE NEAR FIRE OR FLAME. Contents under pressure. Do not place container where temperature will exceed 120°F., or throw in fire. Do not puncture. Avoid contamination of foods. In case of contact, such as getting in eyes, wash thoroughly with water. If irritation persists, get medical attention.

Active Ingredients: Triethylene glycol 5.00%

Inert Ingredients: 95.00%

Contains sodium nitrite
