# FLY - NIP<sup>®</sup>

## KILLS

Flies, Mosquitoes, Moths, Roaches and Waterbugs in Hospitals, Nursing Homes, School Kitchens and Cafeterias, and Industrial Dining Areas

Active Ingredients 100%, Petroleum Distillate, Pyrethrins

### — DIRECTIONS —

**FLIES, MOSQUITOES**—Cover all dishes, cooking utensils and food processing surfaces or wash thoroughly after treating. Close the doors and windows to the area to be treated. Spray upward toward the ceiling. The room should be filled with a mist and remain closed for 10 to 20 minutes. Do not remain in treated area and ventilate area after treatment is completed. Sweep up all dead or injured insects and burn them. Repeat treatment as often as necessary.

**ROACHES, WATERBUGS**—Cover all dishes, cooking utensils and food processing surfaces or wash thoroughly after treatment. Spray thoroughly and liberally into all cracks and crevices in moulding and woodwork around sinks, cabinets, shelves, pipe openings in walls and floors or wherever these insects are likely to hide. After spraying as directed, do not remain in treated areas and ventilate area after treating. Sweep up all dead or injured insects and burn them. Repeat treatment as often as necessary.

**CLOTHES MOTHS**—Spray thoroughly into clothes closets, trunks or other storage places. Take special precautions to spray thoroughly all cracks in walls and floors. Do not remain in treated area and ventilate area after treatment is completed. After spraying as directed, sweep up all dead or injured insects and burn them. Brush and clean clothing, then spray thoroughly, making sure to reach all seams and folds before storing. Treatment should be repeated every three to four weeks.

**CAUTION:** Keep Out of the Reach of Children. Harmful If Swallowed. Do not use near heat or open flame. Avoid prolonging breathing of spray mist. Avoid contamination of feed or foodstuffs. If swallowed do not induce vomiting. Call a Physician immediately. Do not re-use empty container or drum. Destroy it by perforating or crushing and burying in a safe place.
