**DIRECTIONS**

**FOR GENERAL DISINFECTING** — Clean thoroughly with a good detergent, then apply WESCO-PHENE BACTERICIDE, diluted one ounce to a gallon of water, so as to wet all surfaces thoroughly and allow to remain in contact for five minutes

**FOR DISINFECTING** floors, lavatories, bathrooms, shower rooms, toilets, urinals, sinks, etc., clean thoroughly with a good detergent. Apply WESCO-PHENE BACTERICIDE, diluted one ounce to a gallon of water, so as to wet all surfaces thoroughly and allow to remain in contact for five minutes.

**CAUTION:** Keep Away From Children. Harmful If Taken Internally. If swallowed, give milk, raw egg or mucilage, and follow with an emetic. Call a physician. Avoid the inhalation of fumes of undiluted material. Avoid contact with the skin and eyes; in case of contact, wash with large quantities of water. Avoid contamination of foods.
