PMA 10A2

US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS-767) WASHINGTON, DC 20460 NOTICE OF PESTICIDE: <input type="checkbox"/> REGISTRATION <input type="checkbox"/> REREGISTRATION (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)	EPA REGISTRATION 1786-12 TERM OF ISSUANCE NAME OF PESTICIDE PRODUCT Crude Coal Tar	DATE OF ISSUANCE JAN 15 1987
NAME AND ADDRESS OF REGISTRANT (Include ZIP code) <div style="display: flex; justify-content: space-between;"> <div> USS Chemicals 600 Grant Street Pittsburgh, PA 15230 </div> <div style="text-align: right;"> $\begin{array}{r} 187245 \\ 160 \end{array} \quad \begin{array}{r} 1 \\ 18 \end{array}$ </div> </div>		
NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.		
On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act. A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.		
Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.		
This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:		
1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.		
2. Add the phrase "EPA Registration No. 1786-12" to your label before you release the product for shipment.		
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.		
If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.		
A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

May be fatal if swallowed, inhaled or absorbed through the skin. Causes severe skin and eye irritation.

Individuals must wear gloves impervious to the wood treatment formulation in all situations where dermal contact with Creosote is expected (e.g., handling freshly treated wood and manually opening cylinder doors).

Individuals who manually open cylinder doors must wear gloves and a respirator.

Individuals who enter pressure treatment cylinders and other related equipment that is contaminated with the wood treatment formulation (e.g., cylinders that are in operation or are not free of the treatment formulation) must wear protective clothing (including overalls, jacket, gloves and boots) impervious to the wood treatment formulation and a respirator.

Applicators must not eat, drink, or use tobacco products during those parts of the application process that may expose them to the wood treatment formulation (e.g., manually opening/closing cylinder doors, moving trams out of cylinders, mixing chemicals and handling freshly treated wood).

Wash thoroughly after skin contact, and before eating, drinking, use of tobacco products, or using restrooms.

Protective clothing must be changed when it shows signs of contamination. Applicators must leave protective clothing and workshoes or boots and equipment at the plant. Worn-out protective clothing and workshoes or boots must be left at the plant and disposed of in any general landfill, in the trash, or in any other manner approved for pesticide disposal.

Note to User: As used on this label, the term "respirator" means properly fitting, well maintained, half mask canister or cartridge respirators which are MSHA/NIOSH-approved for polynuclear aromatics and organic vapors. Examples of acceptable materials for protective clothing (e.g., gloves, overalls, jackets and boots) required during application and handling of creosotes are polyvinyl acetate (PVA), polyvinyl chloride (PVC), neoprene and NBR (Buna-N).

STORAGE AND DISPOSAL

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Do not contaminate water by cleaning of equipment or disposal of wastes.

In case of spillage, absorb and dispose of in accordance with local, state and federal regulations.

RESTRICTED USE PESTICIDE

For sale to and use only by certified applicators or by persons under their direct supervision and only for those uses covered by the applicators' certification.

CRUDE COAL TAR

FOR PRESSURE TREATMENT OF WOOD
(COMMERCIAL USE ONLY)

Active Ingredients:

Coal Tar - 90% min.

Inert Ingredients: 10.0% max.

KEEP OUT OF REACH OF CHILDREN

DANGER

EMERGENCY AND FIRST AID PROCEDURES

EYE CONTACT: Flush eyes with plenty of clean water immediately for at least 15 minutes. Seek immediate medical attention.

SKIN CONTACT: Remove any contaminated clothing. Wash exposed areas of skin with soap and warm water.

INGESTION: Induce vomiting by drinking 1 or 2 glasses of water and touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Seek immediate medical attention.

NOTE: Remove and wash, or discard, contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Do not apply directly to water or wet lands. Do not use this product to treat wood intended to be used where it may come into direct or indirect contact with public drinking water or drinking water for domestic animals or livestock, except for those uses including incidental contact such as docks and bridges.
