KLEAR SOL 64

Sanitizer

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

Highly corrosive. Causes skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public waters unless in accordance with an NPDES permit. For guidance contact your regional office of EPA.

PHYSICAL AND CHEMICAL HAZARDS

Strong oxidizing agent. Mix only with water. Use clean utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter or other chemicals may start a chemical reaction with generation of heat, generation of hazardous gases and possible generation of fire explosion. In case of contamination or decomposition do not reseal container. If possible isolate container in open air or well-ventilated area. Flood with large volume of water if necessary.

Review according to cover letter

NET CONTENTS

KLEAR SOL 64 Sanitizer is recommended for use on surfaces or on dishes, glasses or food processing utensils, including dairy and brewery equipment.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product inconsistent with its labeling.

FOR DISHES; GLASSES; FOOD PROCESSING, DAIRY AND UTENSILS:

Clean all surfaces of gross food particles and flush, or pre-scrape and, when necessary, a pre-rinse. Thoroughly wash all surfaces or objects with a compatible cleaner, followed by a potable water rinse, the sanitizing step.

Prepare a fresh sanitizing solution by dissolving KLEAR SOL 64 per 10 gallons of water. This provides 14% available chlorine respectively. The solution is sanitized in this solution for 2 or 3 minutes to air dry. Prepare the same solution or use for immersion or spray-type machines. Provide contact time for sanitizing dishes, glasses and equipment and utensils.

Prepare a fresh solution daily or more often if becomes diluted or soiled. The sanitizing solution promptly after mixing. Do not reuse or add to fortify the old solutions.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD, OR FEED BY STORAGE.

STORAGE: Keep container closed when not in use. Do not heat or open flame.

HAZARDOUS WASTE DISPOSAL: Do not clean equipment or containers in a manner that will contaminate water.

CONTAINER DISPOSAL: Metal Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill.

Plastic Containers: Triple rinse (or equivalent) procedures approved by state and local authorities.

Plastic Containers: Triple rinse (or equivalent) recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if approved by local authorities, by burning. If burned, stay
