U.S.D.A. Reg. No. 1811-2

**GENA LABORATORIES, Inc.**  
*Manufacturing Chemists*  
DALLAS, TEXAS

**ACCEPTED**

1-15-69

1811-2

**PROPERTIES:**

NOTE: For massage purposes or bathing, PROP O SURG contains 4 / of the usual strength Isopropyl Alcohol (70%). However, PROP-O-SURG destroys Staph aureus in 30 seconds by the AOAC Phenol Coefficient Method at 37 C. Certified tests are on file in our laboratory.

**CAUTION:**

For external use only. This product is not to be used in deep or puncture wounds or in case of burns.

**USES:**

For antiseptic purposes as an agent in sanitizing the hands in surgical and aynecological practice; the skin injection of insulin, etc.

For massage purposes or bathing

For surgical instrument disinfecting

**DIRECTIONS FOR USE:**

Sanitizing hands—wash with surgical soap, rinse and then immerse in full strength PROP O SURG

Disinfecting surgical instruments — wash thoroughly to remove all adhering blood and serous exudates, and then immerse in full strength PROP O SURG.

Carbon steel instruments will rust if left too long in PROP O SURG. Do not dilute. The antiseptic test is made at full strength
