K-LOX S ALGAEICIDE  
FOR SWIMMING POOLS

SPECIFIC INSTRUCTIONS

For best results begin pool maintenance with K-LOX S when the pool is first filled with water. Add K-LOX S according to the size of pool as given in the chart below.

DILUTION CHART FOR SWIMMING POOLS		
Swimming Pool Capacity Gal. of Water	Initial Treat- ment K-LOX S	Treatment Once Every Two Weeks K-LOX S
5,000	5 Ounces	2.5 Ounce
10,000	10 Ounces	5 Ounces
20,000	20 Ounces	10 Ounces
30,000	30 Ounces	15 Ounces
40,000	40 Ounces	20 Ounces
50,000	50 Ounces	25 Ounces

HOW TO ESTIMATE GALLON  
CAPACITY OF YOUR POOL

Measure Length (L), Width (W)  
and average Depth (D) in feet.

FOR SQUARE OR RECTANGULAR POOLS:

$$L \times W \times D \times 7.5 = \text{Gallons}$$

FOR CIRCULAR OR ELLIPTICAL POOLS:

$$L \times W \times D \times 5.9 = \text{Gallons}$$

Dilute K-LOX S with at least nine parts of water and sprinkle around edge of pool or pour directly into skimmer intake to pool filter. Add additional amounts of K-LOX S every two weeks according to directions on the table.

K-LOX S ALGAECIDE  
FOR SWIMMING POOLS

GENERAL INFORMATION

K-LOX S algaecide provides effective control of algae growth in all types of swimming pools. Even though it affords long term algae control, periodic additions on a scheduled basis will assure lasting algae control. Treated water may be used immediately after addition of K-LOX S. K-LOX S is designed to prevent the growth of swimming pool algae. For heavy algal infestations, more drastic treatment such as super-chlorination may be required to eradicate the algae.

**CAUTION:** K-LOX S may be irritating to the skin, avoid contact with skin, eyes and clothing. In case of contact, wash thoroughly and in case of eye irritation or if swallowed, contact a doctor.

This product is toxic for fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds or public water. Apply this product only as directed on this label.

Kennecott Copper Corporation warrants that this product in its unopened package conforms to the chemical description on the label and is reasonably fit for the purposes set forth on the label when used according to directions under normal use conditions as specified. THERE ARE NO OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING A WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE. This warranty does not extend to the handling or use of this product contrary to label instructions or under abnormal conditions or under conditions not reasonably foreseeable to seller and buyer assumes all risk of any such use.

Do not reuse Container. Destroy When Empty.
