PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

DANGER

Corrosive. Causes severe eye damage. May be fatal if inhaled; do not breathe dust. May be a potential skin sensitizer. Do not get in eyes or on clothes. Harmful if swallowed or absorbed through the skin.

Wear any NIOSH-approved respirator with an N, R, P or HE filter. Wear goggles or a face shield, chemical resistant gloves such as nitrile, butyl rubber or natural rubber, long sleeved shirt and long pants when handling this product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Note to user: Chlorothalonil technical may produce temporary allergic side effects characterized by redness of the eyes, mild bronchial irritation and redness, or rash on exposed skin areas. Persons having allergic reaction should contact a physician.

For Formulation Purposes Only: This product is intended for use only by formulators in preparing end-use fungicides.

When manufacturing wettable powder formulations: This product may only be used to manufacture wettable powder formulations that 1) are packaged in water soluble packets, the outside of which contain a pictogram depicting that users should not cut, rip or tear; 2) bear the labeling, "For use in closed mixing/loading systems only."

This product must not be formulated into products labeled for home lawns.

This product may be formulated into end use fungicides having the following use sites:

- 1) Field and row crops: beans (snap and dry), cabbage and other cole crops, carrot, celery, corn, cranberry, cucurbits, grasses grow for seed, mint, onion (garlic, leek, shallots), papaya, parsnip, passion fruit, potato, soybean, tomato.

- 2) Fruit and tree crops: Stone fruit (peach, nectarine, apricot, cherry, plum); pine and spruce in forest stands, christmas tree plantations, and nurseries.
- 3) Ornamental plants: A wide range of ornamental plant species grown in field, nursery, and greenhouses.
- 4) Grasses grown on sodfarms, golf courses (tees, fairways, greens) and municipal parks.

This product must not be formulated into a product intended as a mildewcidal paint additive for direct sale to retail customers, e.g., in a 'pillow pack' or other small volume or one-use package. This product must not be used to formulate products for use as in-container preservatives.

This product may only be formulated into mildewcidal paint additive products that are labeled as follows: "This product may only be added to paint products that are labeled A) With product-specific instructions for the use of a respirator during application, or B) as follows: When applying with a sprayer, wear a NIOSH approved respirator with any R, P, or HE filter. If oil is not present in the paint product or recommended for use as an additive in the paint product, add "N" as an additional respirator type.

This product may be used to formulate product for additional use(s) not listed on this label if the formulator, user group or grower has complied with the U.S. EPA submission requirements regarding support of such use(s).

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Storage: Store in a cool, dry area. Protect from excessive heat.

Pesticide Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container disposal: Completely empty container into formulation equipment. Then dispose of empty container in sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke
