Effectively Deodorizes
Prevents Moth Damage
WHEN USED AS DIRECTED

LIFT HOOK

TO TURN

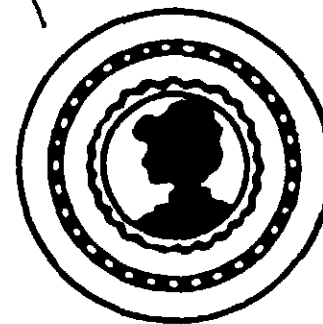

PERFUMED**PERFUMED****HANG-UP MOTH BLOCK**
in DELUXE CAMEO CASE

MOTH PREVENTIVE · AIR DEODORANT

*Kills Moths When Used As Directed***HOW TO USE**

Turn hook and lift Cameo Case out of cardboard holder. To remove back of Cameo Case, insert fingers in holes and turn to left. Lift out cover. Remove cellophane from block and re-insert unwrapped block in case. To replace back, line up large X on cover with slot on case. Turn cover to right to lock.

FOR WALL OR DOOR

Double Duty Hanger has reversible hook. Raise gently and hook swings into upright position through wide notch in case for hanging on either clothes rod or wall.

FOR CLOTHES ROD

TO KILL MOTHS: Brush and clean garments thoroughly. Use one block for every 72 cubic feet of tightly enclosed space. Area under fumigation should be kept tightly closed at all times and for at least 7 days after addition of this product.

AS A DEODORANT: Hang on wall or door to overcome unpleasant odors in bathroom, nursery, kitchen, etc.

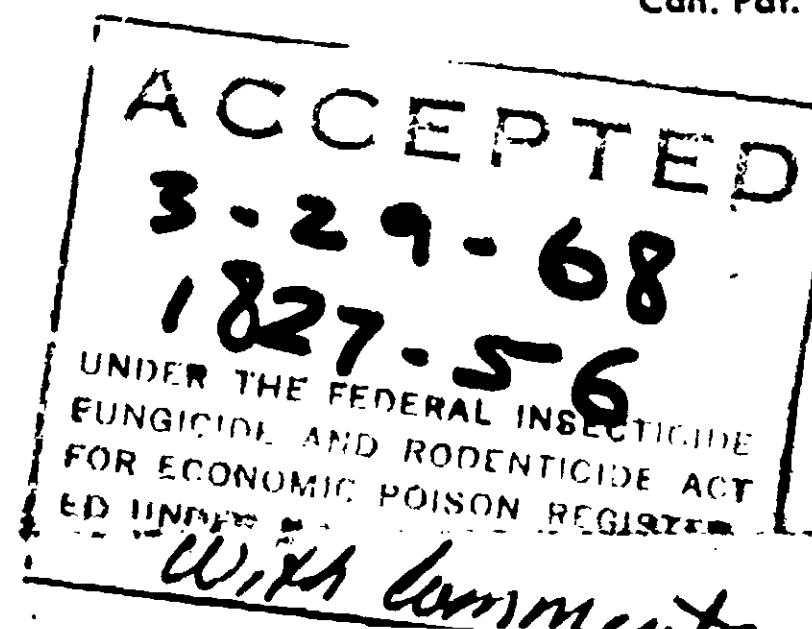

For continuous protection when block is evaporated, purchase new Perfumed Refill No. 701 and insert into Cameo Case.

DO NOT HANG AGAINST PLASTIC TILE
