

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

PURO-POWER Bowl Cleaner is designed to clean, disinfect and deodorize toilet bowls and urinals.

1. To disinfect toilet bowls, flush toilet, add 4 ounces of PURO-POWER directly to the bowl water. Swab the bowl completely using a scrub brush or toilet mop, making sure to get under the rim. Let stand for 10 minutes and flush.

2. To disinfect urinals, add 2 ounces of PURO-POWER to 48 ounces of water. Flush urinal. Apply solution with brush or toilet mop to urinal surfaces, making sure to scrub completely. Let stand for 10 minutes and flush.

3. For badly stained toilet bowls just flush, then use toilet mop to push water from the bowl over the trap. Press swab mop against bowl to remove excess water then saturate mop with 2 ounces of PURO-POWER while holding bottle and applicator over bowl. Swab bowl completely, making sure to get under the rim. Let stand for 10 minutes then flush. Rinse applicator completely.

4. For gross filth or heavy soil, a pre-cleaning step is required before disinfecting.

PURO-POWER is an effective one step cleaner-disinfectant designed to kill microorganisms found in the toilet and/or urinal. When used as directed, the product exhibits effective disinfection against *Salmonella choleraesuis*, *Staphylococcus aureus*, and *Pseudomonas aeruginosa* in addition to preventing odors caused by microorganisms. Efficacy tests have demonstrated that PURO-POWER is an effective bactericide, in the presence of organic soil (5% blood serum).

PURO-POWER contains no phosphates.

PRECAUTIONARY STATEMENTS

Hazard to Human and Domestic Animals

DANGER

Keep Out of Reach of Children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, skin or on clothing. Harmful if swallowed. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food. Remove and wash contaminated clothing.

STATEMENT OF PRACTICAL TREATMENT

In cases of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician. For skin contact wipe off acid gently, immediately flood surface with water, using soap freely, then cover with moist magnesia or baking soda.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

STORAGE AND DISPOSAL

For small containers: Do not reuse. Rinse thoroughly with water and detergent and discard in regular trash collection.
