Stepan Company  
22 West Frontage Road  
Northfield, IL 60093

Attn: Leo Dringoli  
Manager, Product Registration

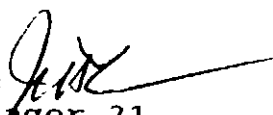

Subject: BTC 65  
EPA Registration No. 1839-65  
Amendment dated April 27, 1993

The amendment referred to above, submitted in connection with registration under Federal Insecticide, Fungicide, and Rodenticide Act, as amended, to update your product label, is acceptable, subject to the comments below. A stamped copy of the labeling is enclosed for your records.

Delete the claim "algaecide". This claim is considered an outdoor use. If you wish to obtain this claim, a "Method of Support" form must be filled out completely, and submitted. You must also identify the areas of use that would pertain to the algaecidal claim.

If you have any questions concerning this letter, please contact Martha DeLaney at (703)305-6982.

Sincerely,

John H. Lee   
Product Manager 31  
Antimicrobial Program Branch

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**BTC® 65 IS A CATIONIC GERMICIDE.**

**DO NOT MIX WITH SOAP OR OTHER ANIONIC MATERIALS.**

For use by manufacturers only in formulating disinfectants and algaecides. Formulators using this product are responsible for providing data for the EPA registration of their formulated products.

### PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

#### DANGER-CORROSIVE

**KEEP OUT OF REACH OF CHILDREN** Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed or absorbed through skin. Avoid contamination of food. Wash thoroughly with soap and water after handling.

#### STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of egg whites or gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

#### NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage

NET CONTENTS

### ENVIRONMENT

This pesticide is toxic to fish and should not be discharged into streams, ponds, estuaries, or other aquatic environments. This product is specifically labeled for use in accordance with NPDES permit. Do not use this product to sewer systems. For more information, contact your State Water Pollution Control Agency or the nearest EPA Regional Office.

### PHYSICAL AND CHEMICAL

Do not use or store near food, feed, or other products.

### STORAGE

DO NOT CONTAMINATE STORAGE OR DISPOSAL

STORAGE: Store in a cool, dry place, between 50°F and 90°F.

### PESTICIDE DISPOSAL

This pesticide is highly flammable and highly toxic. Improper disposal is hazardous. Do not mix with other pesticides. Do not use for disposal. Wastes cannot be disposed of in municipal landfills. For more information, contact your State Water Pollution Control Agency or the nearest EPA Regional Office.

### CONTAINER DISPOSAL

Triple rinse empty container with water. Do not reuse. Offer for recycling, sanitary landfill, or by other means approved by local authorities. Plastic containers should be recycled, if possible, or disposed of in a sanitary landfill, incinerated, or otherwise disposed of by local authorities, by burning.
