Subject: BTC ® 885
EPA Registration No. 1839-113
Amendment dated: February 4, 2003
EPA Received date: February 4, 2003

Dear: Ms. Nancy S. Maitzen,

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) as amended, is acceptable with the following condition.

Proposed Amendment

- Revise the Precautionary Statements:
 - Change statement: May be fatal is swallowed or inhaled. Harmful is absorbed through skin. To read "may be fatal if swallowed, absorbed through the skin or inhaled."
 - Delete the statement "Harmful if absorbed through the skin"

Condition

- Your product is an MUP which is intended for formulation into end use products. The term "Concentrated Germicide" is an efficacy claim that requires data to support the end use product registration. Therefore delete the claim "Concentrated Germicide" from the label.

General Comments

A stamped label is enclosed for your records. Please submit three copies (3) copies of your final printed label before distributing or selling the product bearing the revised labeling. If the above condition is not compiled with, the registration will be subject to cancellation in accordance with FIFRA section (e) Your release for shipment of the product bearing the amended labeling
