

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Antimicrobials Division (7510P)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460

EPA Reg. Number:

1839-229

Date of Issuance:

05/14/2015

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Mold Stain and Mildew Stain Remover

Name and Address of Registrant (include ZIP Code):

Stepan Company
 22 W. Frontage Rd.
 Northfield, IL 60093

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Velma Noble,
 Product Manager 31
 Regulatory Management Branch
 Antimicrobials Division (7510P)

Date:

5/14/2015

2. You are required to comply with the data requirements described in the identified below:

a. ADBAC GDCI-09105-30882

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI listed above, you may contact the Reevaluation Team Leader (Team 36): <http://www2.epa.gov/pesticide-contacts/contacts-office-pesticide-programs-antimicrobial-division>

3. Make the following label changes before you release the product for shipment:

- Revise the EPA Registration Number to read, “EPA Reg. No. 1839-229.”

4. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 11/06/2014
- Alternate CSF 1 thru 3 dated 11/06/2014

If you have any questions, please contact Drusilla Copeland by phone at 703-308-6224, or via email at copelands.drusilla@epa.gov.

Enclosure

Sincerely,

 for

MOLD STAIN AND MILDEW STAIN REMOVER

For use on exterior surface (outdoor use only) for moss, mold, algae, mildew removal, control and stain removal.

ACTIVE INGREDIENT:

Alkyl (50% C₁₄, 40% C₁₂, 10% C₁₆)

dimethyl benzyl ammonium chloride.....10.0%

INERT INGREDIENTS:..... 90.0%

TOTAL.....100.0%

KEEP OUT OF REACH OF CHILDREN

DANGER

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

(OPTIONAL) You may contact xxx/xxx-xxxx for emergency medical treatment information.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage.

See [inside] [side] [back] panels for additional precautionary statements.

NOTE TO EPA REVIEWER: THE FIRST AID STATEMENT WILL APPEAR ON THE FRONT, INSIDE, SIDE OR BACK PANEL OF THE LABEL

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

EXTERIOR SURFACE MOSS, MOLD, ALGAE, MILDEW REMOVAL, CONTROL AND STAIN REMOVAL

Outdoor [Moss,] [Mildew,] [Algae,] [Mold,] [Lichen,] [Fungus] [&/and] [Fungus-Related Growth] Stain Remover & Cleaner.

[Removes] [Eliminates] [moss,] [mildew,] [algae,] [mold,] [lichen,] [fungus], [&/and] [other fungus-related] from outdoor surfaces: ~~Kills~~. Cleans. Prevents.

Removes stains.

Prevents regrowth.

[Removes] [Eliminates] [moss,] [mildew,] [algae,] [mold,] [lichen,] [fungus], [&/and] [other fungus-related] stains with the rain.

[Removes] [Eliminates] stains* with the rain.

Uses rain to [remove] [eliminate] stains.*

*[Removes] [moss,] [mildew,] [algae,] [mold,] [lichen,] [fungus], [&/and] [other fungus-related] stains.

Just spray and go!

Works best on surfaces exposed to direct rainfall.

No scrubbing or rinsing.*

No scrubbing, rinsing or pressure washing.*

*On surfaces exposed to direct rainfall.

Removes ugly stains from [moss,] [mildew,] [algae,] [mold,] [lichen,] [fungus], [&/and] [other fungus-related growth].

[Prevents regrowth] of [moss,] [mildew,] [algae,] [mold,] [lichen,] [fungus], [&/and] [other fungus-related growth]

[Non-caustic,] [non-acidic,] [contains] [no bleach] [non-public health]

43 oz. concentrate makes 2 gallons.

Treats [up to] [250–]750 [square] [sq.] [feet] [ft]*.

Half-gallon concentrate makes 3 gallons.

Treats [up to] [375–]1,125 [square] [sq.] [feet] [ft]*.

0.75-gallon concentrate makes 4.5 gallons.

Treats [up to] [550–]1,700 [square] [sq.] [feet] [ft]*.

One-gallon concentrate makes 6 gallons.

Treats [up to] [750–]2,250 [square] [sq.] [feet] [ft]*.

*Highly stained or porous surfaces may require more treatment.

FOR:

[Buildings]

[Siding], [eaves], [gutters], [roofs], [shingles], [screens], [stairs], [trim], [awnings], [shade sails], [foundations].

[Landscaping]

[Patios], [sidewalks], [driveways], [pavers], [artificial turf], [basketball courts], [tennis courts].

[Outdoor Structures]

[Decks], [porches], [fences], [gazebos], [greenhouses], [lanais], [retaining walls], [privacy walls], [sheds], [playhouses], [storage units], [glass houses].

[Yard & Garden]

[Hammocks], [outdoor furniture], [outdoor mats/rugs], [outdoor pots], [patio umbrellas], [plastic climbing toys], [swing sets], [trampolines], [fountains,], [sculptures,], [tombstones, signs].

[Pools]

[Pool patios], [surrounds], [liners], [equipment], [toys], [inflatable devices], [diving boards].

[Marinas]

[Boat bodies], [seats], [carpeting], [bilges], [dodgers], [sails], [life jackets].

[Camping]

[Cabins], [outdoor furniture], [pop-up campers], [RVs], [tents].

[Vehicles]

[Cars], [trucks], [trailers].

EFFECTIVE ON:

[Aluminum,] [asphalt,] [brick,] [canvas,] [cement,] [ceramic,] [clay,] [composite,] [concrete,] [dryvit/EIFS,] [fiberglass,] [flagstone,] [limestone,] [log beams,] [marble,] [metal,] [painted surfaces,] [plastic,] [PVC,] [rock,] [rubber,] [sandstone,] [slate,] [steel,] [stone,] [stucco,] [teak,] [tile,], [vinyl,] ([wood] [natural,] [painted,] [or] [stained),])

HOW IT WORKS:

(Product Name) uses natural rainfall to do the hard work. For surfaces that are exposed to direct rainfall, you don't have to scrub or rinse—just spray it on and walk away. (Product Name) begins to remove [moss,] [mildew,] [algae,] [mold,] [lichen,] [fungus,] [and] [other fungus-related growth] stains on contact and continues to remove stains as it sits. Most stains will disappear within one month.

NOTE: This product must be properly applied to be effective. Please read through all directions completely before beginning. Occasionally, stains that appear to be fungus-related are actually just built-up dirt and grime, which this product is not designed to remove.

Prep:

- Make sure the surface you are treating is COMPLETELY DRY.
- If possible, apply on an overcast day when evaporation will be slower.
- Do not apply in the rain or if heavy rain is predicted within 5 hours.

Application:

- Mix [one] [1] part (Product Name) with [five] [5] parts water in a pump-style garden sprayer. Stir well. Note: The correct, consistent ratio is critical to be an effective treatment.
- Spray the affected surface [with the pump-style sprayer] until it is fully saturated.
- Allow to air dry. Do not rinse.
- Wait until fully dry—at least [ten] [10] minutes—before using or touching the surface.

Special Circumstances:

- For heavy stains, wait 24 hours and reapply.
- For especially stubborn stains or stains that return, wait [one] [1] month and reapply. Repeat once per month, if necessary, no more than six times in [one] [1] year.
- For surfaces that are not exposed to direct rainfall, wait [one] [1] month, then scrub and/or rinse away the residue. Reapply if necessary.
- Stains on cedar/redwood may require slight scrubbing. Wait [one] [1] month after application and remove residue with a stiff-bristled brush and water.
- If the stain does not disappear after carefully following these steps, it may just be dirt [and] [—]not fungus-related.

Ongoing Maintenance:

- Reapply once a year or when new growth appears. Do not treat more than [6] [six] times per year.

Children/Pets:

For treated areas that may come into contact with bare skin or paws, wait 24 hours after application and rinse down thoroughly with fresh water before allowing children or pets to return.

Plants:

Do not use on plants. Rinse plants well with fresh water if direct contact occurs.

Waterways:

Do not perform treatment within 100 ft. of any stream, river, pond or lake to prevent runoff.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER

CORROSIVE. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin or on clothing. May be fatal if swallowed, inhaled, or absorbed through skin. Do not breathe vapor or spray mist. Wear goggles or face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using the toilet or using tobacco. Remove and wash contaminated clothing before reuse.

(Note: If container size is of 5 gallons or greater, the following Environmental Hazards statement must be used.)

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA. Apply this pesticide only as specified on the label.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.

STORAGE – Store in original container. Keep from freezing

PESTICIDE DISPOSAL - Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

(For Industrial, Institutional, Commercial Products)

CONTAINER DISPOSAL – Nonrefillable container. Do not reuse or refill this container.

Triple rinse container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after flow begins to drip. Fill container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling if available or reconditioning if appropriate or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

(For Household/Residential Products)

CONTAINER DISPOSAL - Nonrefillable container. Do not reuse or refill this container. Wrap container and discard in trash. Offer for recycling, if available. Store in original container in a locked storage area inaccessible to children.
