

PRECAUTIONARY STATEMENTS

Hazardous to Humans and Domestic Animals

WARNING!

Harmful if inhaled or absorbed through skin. May be harmful or fatal if swallowed. Induce vomiting by administering an emetic of mustard and water. Call a physician immediately. Vapor may cause injury if inadequate ventilation is not insured. Do not use this product indoors, or in any other confined area where the vapors may concentrate and cause injury to plant or animal life.

Pentachlorophenol is irritating to the skin and should be handled with heavy oil resistant rubber gloves. If spilled on hands or clothing, remove clothing at once and wash skin thoroughly with strong soap suds. Do not allow livestock to contact freshly treated posts or lumber. Do not paint or spray near a flame. Do not breathe vapor, fumes, or spray mist. Do not get in eyes, on skin, or on clothing.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame.

STORAGE AND DISPOSAL

Do not reuse empty container (bottle, can, bucket). Wrap container and put in trash collection.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Timber should be dry. If necessary to cut wood after treatment swab cut surfaces thoroughly.

For Treating Fence Posts: Fill open barrel with peeled and seasoned posts and pour in preservative until barrel is full. Soak 24 hours, then turn end for end and soak another 24 hours. The posts may be set out any time thereafter. *Wear protective clothing and rubber gloves when handling freshly treated lumber.*

WARRANTY STATEMENT

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
