**NOT FOR HOME USE**

**DANGER**  
Keep out of reach  
of children

**USE ONLY WHEN WEARING THE FOLLOWING  
PROTECTIVE EQUIPMENT AND CLOTHING**

1. Wear water-resistant, long-sleeved, long-pant  
coveralls or suit. Wear safety shoes.  
2. Wear mask and respirator approved by the U.S. Bureau of  
Minerals, respiratory protection. 3. Wear heavy  
duty natural rubber gloves.

**WORK SAFETY RULES**

Keep children, toddlers, pets, and children away from  
treated areas where there is danger of drift.

Do not touch eyes or mouth with hands if you feel  
in any way. Stop work and get help right away. Call  
a doctor or your local health or hospital emergency  
department. Explain that the victim has been exposed to para-  
thion and may be in a serious condition. After first aid is  
given, call First Aid Treatment Section and follow  
instructions. Do not take victim to hospital.

**IMPORTANT:** Before removing gloves, wash them  
with soap and water. Always wash hands, face and  
arms with soap and water before smoking, eating or  
drinking.

**AFTER WORK:** Take off all work clothes and shoes.  
Shower using soap and water. Wear only clean  
clothes when leaving job. Do not wear contaminated  
clothing. Wash protective clothing and protective  
equipment with soap and water after each use. Res-  
pirator should be cleaned and filter replaced accord-  
ing to instructions included with respirator.
