AN AID TO INCREASED PRODUCTION

IMPORTANT Use only as directed

New Cen-Pe-Co Cattle Oil is a quality insecticide designed and formulated to control flies and aid in the reduction of lice on beef cattle.

This compound can be used for repeated application through a back rubber device, and can always be repeated on the same animal.

DIRECTIONS FOR USE

Cen-Pe-Co Cattle Oil is specially formulated for application by backrubber on beef cattle.

It is ready to use, and should not be diluted with oil or kerosene. Cen-Pe-Co Cattle Oil is ideally suited for use in Cen-Pe-Co Cattle Oilers and other similar tank type machines.
