

[1883-23]

NEW KILL KOTE

Special

Roach Powder

KILLS

ROACHES — ANTS — SPIDERS — SILVERFISH

WARNING: Keep Out of Reach of Children

USDA REG. No. 1883-23

See side panel for additional warnings.

12

DIRECTIONS

For best results use in a powder puffer gun, as this forces the powder way back into the cracks or crevices where the nest and breeding activities are more prevalent. The dust must be placed only in areas inaccessible to children and pets. Any powder visible after application is completed should be carefully brushed into cracks and crevices or else removed. Such dusts may be applied on surfaces behind sinks, refrigerators, stoves and cabinets that are not accessible to children and pets. Repeat treatment as needed.

WARNING

Do not contaminate feed and foodstuffs. Keep out of the reach of children and domestic animals. Do not breathe dust. May be fatal if swallowed. Do not use in commercial food preparation areas or in edible products areas of food processing plants.

ACTIVE INGREDIENTS:

Pyrethrins 0.24%
Piperonyl Butoxide, Technical* 1.50%
Sodium Fluoride 40.00%

INERT INGREDIENTS: 58.26%

* Equivalent to 1.2% (butylcarbityl) (6-propylpiperonyl) ether and 0.3% of related compounds.
