Decision # 438987
 306 5-886227
 1155

- Subject** 8 in 1 Bird Protector
 EPA Reg. No. 1903-6
 Your Notification of June 30, 2010
 Your Amended Application of August 12, 2010
 Your resubmission of November 18 and 23, 2010
- Purpose** This submission proposes to revise the label and Confidential Statement of Formula (CSF) for this product, under sec 3 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) by revising the source of active ingredient, the sources of your inerts, and your establishment number.
- CSF** Your revised "Basic Formulation" for the CSF of November 22, 2010, is acceptable. All other versions are obsolete. We have placed a copy of it in our records for this product.
- Label** The labeling submitted with the above letter is acceptable.
- Note** Should you wish to add a reference to the company's website on your label, please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, **regardless of whether a website is referenced on your product's label**, claims made on the website may not substantially differ from those claims approved through the registration process.

- Note-continued** Therefore should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.
- Existing stocks** Stocks of products with existing labeling may be used for eighteen (18) months.
- Consequence for non-compliance** If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.
- Questions** If you have questions about this letter, please contact me at 703-305-5407 (phone); 703-305-6596 (fax); or peacock.dan@epa.gov (E-Mail).

Sincerely,

John Hebert
Product Manager (07)

Bird Protector

For Large Birds/Cages

Protects Your Bird From Lice And Mites For Months!
Deodorizes Cage As It Protects!

Directions For Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Remove paper seal from container and hang Bird Protector on outside of cage with perforations facing cage. For best results cover cage at night. Clean cage weekly with soap and hot water. Rinse and dry thoroughly. Replace when slight odor of paradichlorobenzene cannot be detected in the morning after cage is uncovered.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Harmful if swallowed or absorbed through skin. Causes skin and respiratory tract irritation. Do not get on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, rinse your pet with large amounts of water. If signs continue, consult a veterinarian immediately.

NOTICE: This product contains a chemical known to the state of California to cause cancer.

STORAGE AND DISPOSAL

STORAGE: Store only in original container, in a cool, dry place inaccessible to children and pets.

DISPOSAL: Nonrefillable container. Do not reuse or refill this container. **If empty:** Do not reuse container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
