

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

- 1.) Prewash glassware.
- 2.) Rinse with clear, cool water.
- 3.) In sanitizing tank (last tank) mix 1/4 oz. to 3 gallons of water. This provides 100ppm available chlorine for an 8 hour shift. Enclosed spoon measures 1/4 oz. Use BEER/CLEAN test strips to assure required chlorine levels. Immerse glassware for at least two minutes or for contact time specified by governing sanitary code.
- 4.) Place sanitized glassware on a rack or drainboard to air dry. (Do not towel.)

IMPORTANT:

Can be used in hot or cold water. Keep water temperature in compliance with local health regulations. Use clean towel to wipe each tank clean before refilling. Used as directed, last rinse will effectively act as a sanitizer against Escherichia Coli and Staphylococcus Aureus.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS:
DANGER. Corrosive to eyes. Causes eye and skin damage. Do not get in eyes, on skin, or clothing. Protect eyes and skin when handling. Harmful if swallowed. Do not breathe dust. Wash hands thoroughly with soap and water after handling.

FIRST AID: GIVE IMMEDIATELY

EYES: Immediately flush with water. Remove contact lenses. Then, flush eyes with water for 15 minutes. Get medical attention.

SKIN: Flush skin with plenty of soap and water. If irritation occurs and persists, contact physician.

IF SWALLOWED: Rinse mouth. Drink plenty of water. Do not induce vomiting. Avoid alcohol. Then immediately contact Poison Center or physician.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

Keep tightly capped and store in dry, well ventilated area away from chemicals, heat or open flame. Avoid contamination with food. Do not re-use empty container. Rinse container thoroughly and dispose in trash.

This package is sold by weight not volume. Settling of contents may have occurred during storage and handling. Test Strips are available. Product available in pre-measured Pouch-Pak.
