

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

SEP 27 1994

Stephen Smith
The Drackett Company
1525 Howe Street
Racine, WI 53403

Subject: Trichloromelamine
EPA Registration No. 1913-33
Your Amendment Dated June 20, 1994

Dear Mr. Smith:

This is in response to your labeling containing revised precautionary statements and added effluent discharge statement.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy is enclosed for your records.

1. Add a net contents statement to the label.
2. Submit five copies of the finished labeling before the product is released for shipment bearing the amended labeling.

If you have any questions about these comments, please call Wallace Powell at 703-305-6938.

Sincerely,

Ruth G. Douglas
Product Manager 32
Antimicrobial Program Branch

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: CORROSIVE: CAUSES EYE AND SKIN irritation. Avoid contact with eyes, on skin, or on clothing. Wear goggles and gloves when handling. May be fatal if inhaled. Harmful or fatal if swallowed. Wash thoroughly after handling. Remove contaminated clothing.

STATEMENT OF PRACTICAL TREATMENT

If in eyes: Immediately rinse with plenty of water and call a physician. **If on skin:** Immediately flush with water and call a physician. **If inhaled:** Remove to fresh air. If symptoms persist, contact a physician. **If swallowed:** Drink one glass of water and do not induce vomiting.

Note to physician: Probable mucosal damage. Gastric lavage.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD, OR FEEDSTUFFS. DISPOSAL, OPEN DUMPING IS PROHIBITED

Do not discharge effluent containing this product into streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge this product to sewer systems without previously obtaining the approval of the local treatment plant authority. For guidance contact your nearest Regional Office of the EPA.

STORAGE: Store in cool, dry well ventilated area. Keep tightly closed when not in use. Protect from moisture.

PESTICIDE DISPOSAL: Pesticide spray cannot be used according to label instructions. Dispose of according to Federal or approved state procedures under the Resource Conservation and Recovery Act.

CONTAINER DISPOSAL: Completely empty by shaking and tapping sides and bottom to dislodge residue into application equipment. Then dispose of in a sanitary landfill or by incineration if allowed by local authorities. Drum can be reused.
