ACCEPTED**AUG 13 1975**

Under the Federal Insecticide,
Fungicide and Rodenticide Act,
this pesticide
has been registered under
EPA Reg. No. 1926-18

**FOR USE AROUND MUNICIPALITIES, PARKS,
GOLF COURSES, OUTDOOR THEATRES, AND
SWIMMING POOLS**

FOGGING MIST is an effective combination of concentrated insecticides, intended for use in fogging equipment, and is designed for quick knockdown and kill. It controls and kills mosquitoes, flies, gnats, wasps, and certain other small flying insects quickly, effectively, and economically.

DIRECTIONS: TO BE APPLIED BY A COMPETENT TRAINED OPERATOR ONLY, observing all precautions listed on side panels of label. Use a fogger or sprayer. Apply shortly before using the area being sprayed. For best results, spray when there is little or no breeze.

Dilute with fuel oil at the ratio of 1 part **FOGGING MIST** to 5 or 6 parts fuel oil.

Apply at the rate of 2 gallons per acre.

PRECAUTIONS IN USING: Store concentrate out of reach of children and animals. It is recommended that only the amount of diluted emulsion be prepared from the concentrate that will be used immediately. Mix the concentrate into the petroleum distillate in a well ventilated room or outdoors.

DO NOT APPLY TO FOOD CROPS. Do not contaminate feed, water, or foodstuffs.

Never re-use empty container. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place.

**KEEP OUT OF REACH OF CHILDREN
AND ANIMALS**

FOGGING MIST is hazardous if swallowed, inhaled, or absorbed through skin and eyes. Do not get on skin, in eyes, or on clothing. Do not breathe fumes. Avoid prolonged exposure to fumes. Wear natural rubber gloves, protective clothing and goggles when handling the concentrate to prepare dilutions. Wear full face mask of a type passed by the U.S. Bureau of Mines for Vapona insecticide protection. Keep all unprotected persons out of operational area.

In case of contact with skin or eyes, flush with plenty of water. For eyes, get medical attention. Wash thoroughly with soap and water after handling and before eating or smoking. If swallowed, induce vomiting immediately and get medical attention.

This product is toxic to fish, birds, and other wildlife. Use caution in applying near any fish bearing waters. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
