

NAVY BRAND MUNI-FOG  
A Malathion Concentrate to be diluted 50-1

For use around municipalities, parks, golf courses, and outdoor theatres. Kills flies, gnats, wasps, night flying insects, and certain other small flying insects. MUNI-FOG is designed for use in fogging equipment, and is intended for outdoor use.

ACTIVE INGREDIENTS	100%
Petroleum Distillate	62.5%
Malathion (0,0-dimethyl dithiophosphate of diethyl mercaptosuccinate)	37.5%

DANGER

KEEP OUT OF REACH OF CHILDREN

This formula must be used by trained operators only. Keep out of reach of children. MUNI-FOG is poisonous if swallowed, inhaled, or absorbed thru the skin or eyes. Do not get on skin, eyes, or clothing. Do not breathe fumes. In case of contact, wash immediately with soap and water. Wash thoroughly with soap and water before eating or smoking. Atropine is antidotal.

DIRECTIONS: Can be diluted with fuel oil or kerosene-type petroleum distillate. Highly concentrated. Use in fogging equipment. Apply shortly before using the area to be treated. For best results, spray when there is little or no breeze. Designed for dilution at the rate of 50 parts oil to one part MUNI-FOG to kill flies and certain other small flying insects. Dilute 30 parts oil to one part MUNI-FOG for above normal mosquito and small flying insect control. It is recommended that only the amount of diluted emulsion be prepared from the concentrate that will be used immediately.

CAUTION: Cover fish bowls or pools while spraying. Do not contaminate streams, lakes or ponds with this material. Avoid contamination of food and food stuffs. Do not apply to dairy animals.

USE: After dilution, fog MUNI-FOG in outside areas such as municipalities, parks, golf courses, and outdoor theatres at the rate of approximately two gallons per acre, by completely covering the area being sprayed with visible fog.

NOTICE: The Manufacturer and Seller warrants that the product conforms to the chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
