EPA Reg. No. 1927-8
EPA Est.

DIRECTIONS FOR USE. Terminix BTL is for use only by professional pest control personnel for surface and pressure treatment of timber to control termites and powder-post beetles that are present and to prevent reinfestation. Apply without dilution according to procedures detailed in Terminix Treating Manual, Key 31034 and Terminix Treating Technique for Powder Post Beetles, Key 1-9A. For use only in servicing work and is not for resale.

Applicators must wear the following protective clothing during the application process: a light-weight protective suit or coveralls; water-resistant hat; unlined, waterproof gloves; and unlined, lightweight boots. Mixers and loaders must also wear goggles or a face shield, waterproof gloves and a waterproof apron.

Applicators working in enclosed areas, such as crawl spaces, must wear a respirator approved by OSHA (29 CFR 1910.134).

STORAGE AND DISPOSAL

STORAGE: Keep away from heat and open flame.

DISPOSAL:

1. PROHIBITION: Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.
2. PESTICIDE DISPOSAL: Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved state procedures under Subtitle C of the Resource Conservation and Recovery Act.
3. CONTAINER DISPOSAL: Triple rinse or equivalent. Then offer for recycling or reconditioning, or puncture and disposal of in a sanitary landfill, or by other approved state and local procedures.
4. GENERAL: Consult Federal, State or Local disposal authorities for approved alternative procedures.

Attention: John A. Craft

Gentlemen:

Subject: Amendment - Comply with Lindane Intent to Cancel
Terminix BTL
EPA Registration No. 1927-8
Your Application Dated December 2, 1983

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), is acceptable, provided that you make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

1. Revise the text of the restricted use statement to read as follows (the PD 4 document was incorrect in regard to this item): "For retail sale to and use only by Certified Applicators or persons under their direct supervision and only for those uses covered by the Certified Applicator's certification."
2. Revise the respirator recommendations to read "Applicators working in enclosed areas must wear a pesticide respirator jointly approved by the Mine Safety and Health Administration and by the National Institute for Occupational Safety and Health under the provisions of 30 CFR Part 11."
3. Revise the storage and disposal precautions in accordance with PR Notices 83-3 and 84-1.
4. Delete "May be fatal" and substitute "Harmful" in the hazards to humans section.

Submit five (5) copies of your revised final printed labeling before you release the product for shipment with the amended labeling.

A stamped copy of the label is enclosed for your records.
