*Equivalent to 27% octachloro-4, 7-meth-
anotetrahydroindane and 18% of related
compounds.

NET CONTENTS: 1 PINT

Manufacturing Chemists Since 1916
PARSONS CHEMICAL WORKS, Inc.
Grand Ledge, Michigan 48837

DIRECTIONS

Add sufficient water to PARSONS CHLORDANE EMULSIFIABLE CONCENTRATE given below to make the desired amount of finished formulation.

BOXELDER BUGS

5 tablespoons to 1 gallon — 1 1/4 cups to 5 gallons
Mix thoroughly and spray infested trees thoroughly when nymphs appear in large numbers, also apply thoroughly to the area where they crawl. Apply a coarse wet spray thoroughly around windows, rafters and other spots of entry.*

ANTS

3 teaspoons to 1 gallon — 5 tablespoons to 5 gallons
Thoroughly treat foundation walls or pillars for 6-8 inches up from ground, ant trails and areas around door sills and window frames where the pests may enter the premises. It is frequently desirable to treat openings around water pipes, heat ducts, electrical outlets and baseboards where ants may come out into rooms from wall spaces and partitions.*

SILVERFISH

1/2 cup to 1 gallon — 1 1/4 pints to 5 gallons
Thoroughly treat baseboards, areas behind shelving, bookcases, storage areas and any other infested cracks or hiding places. Also apply locally on exposed surfaces where silverfish crawl when they come out of hiding.*

SPIDERS

1 1/4 cups to 1 gallon — 1 1/4 quarts to 5 gallons
Spray thoroughly infested baseboards and corners for spider control in garages, sheds, porches, under eaves and crawl spaces of basements, houses and porches.*

WASPS

1 1/4 cups to 1 gallon — 1 1/4 quarts to 5 gallons
Apply liberally to their nesting sites, such as underneath eaves, porches, sheds and garages.*

ROACHES

8 tablespoons to 1 gallon — 1 1/4 pints to 5 gallons
Thoroughly treat infested cracks, baseboards and other hiding places. Also exposed surfaces where roaches crawl when they come out of hiding.*

*Repeat treatment as often as necessary.

CAUTION — Harmful if swallowed. Avoid breathing of spray mist. Avoid contact with skin. Contact with skin can cause toxic symptoms. In case of contact, wash with soap and water. Avoid contamination of feed and foodstuffs. Keep out of reach of children.

NOTICE TO PURCHASER — Parsons Chemical Works, Inc. or seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material, and container when such use and/or handling is contrary to label instructions.
