

# • ALL-SEASON

A ready-to-use All-Season Livestock Oil specially prepared for use in livestock oilers. Contains mineral oil that has been selected for its low pour point and will flow at any temperature that animals feel the need to scratch.

**DIRECTIONS:** Ready to use. Do not dilute. Use in all types of livestock oilers for beef cattle. Locate applicator where livestock loaf or congregate so they may have access to it all times.

#### ACTIVE INGREDIENTS

Malathion*	2.0%
Xylene	1.3%
Mineral Oil	96.6%
<b>INERT INGREDIENTS</b>	<b>0.1%</b>
	<b>100.0%</b>

\* O,O-dimethyl phosphorodithioate of diethyl mercaptosuccinate.

**CAUTION:** Do not use on dairy animals or calves under 2 months of age. To protect fish and wildlife do not contaminate streams, lakes, or ponds with this material.

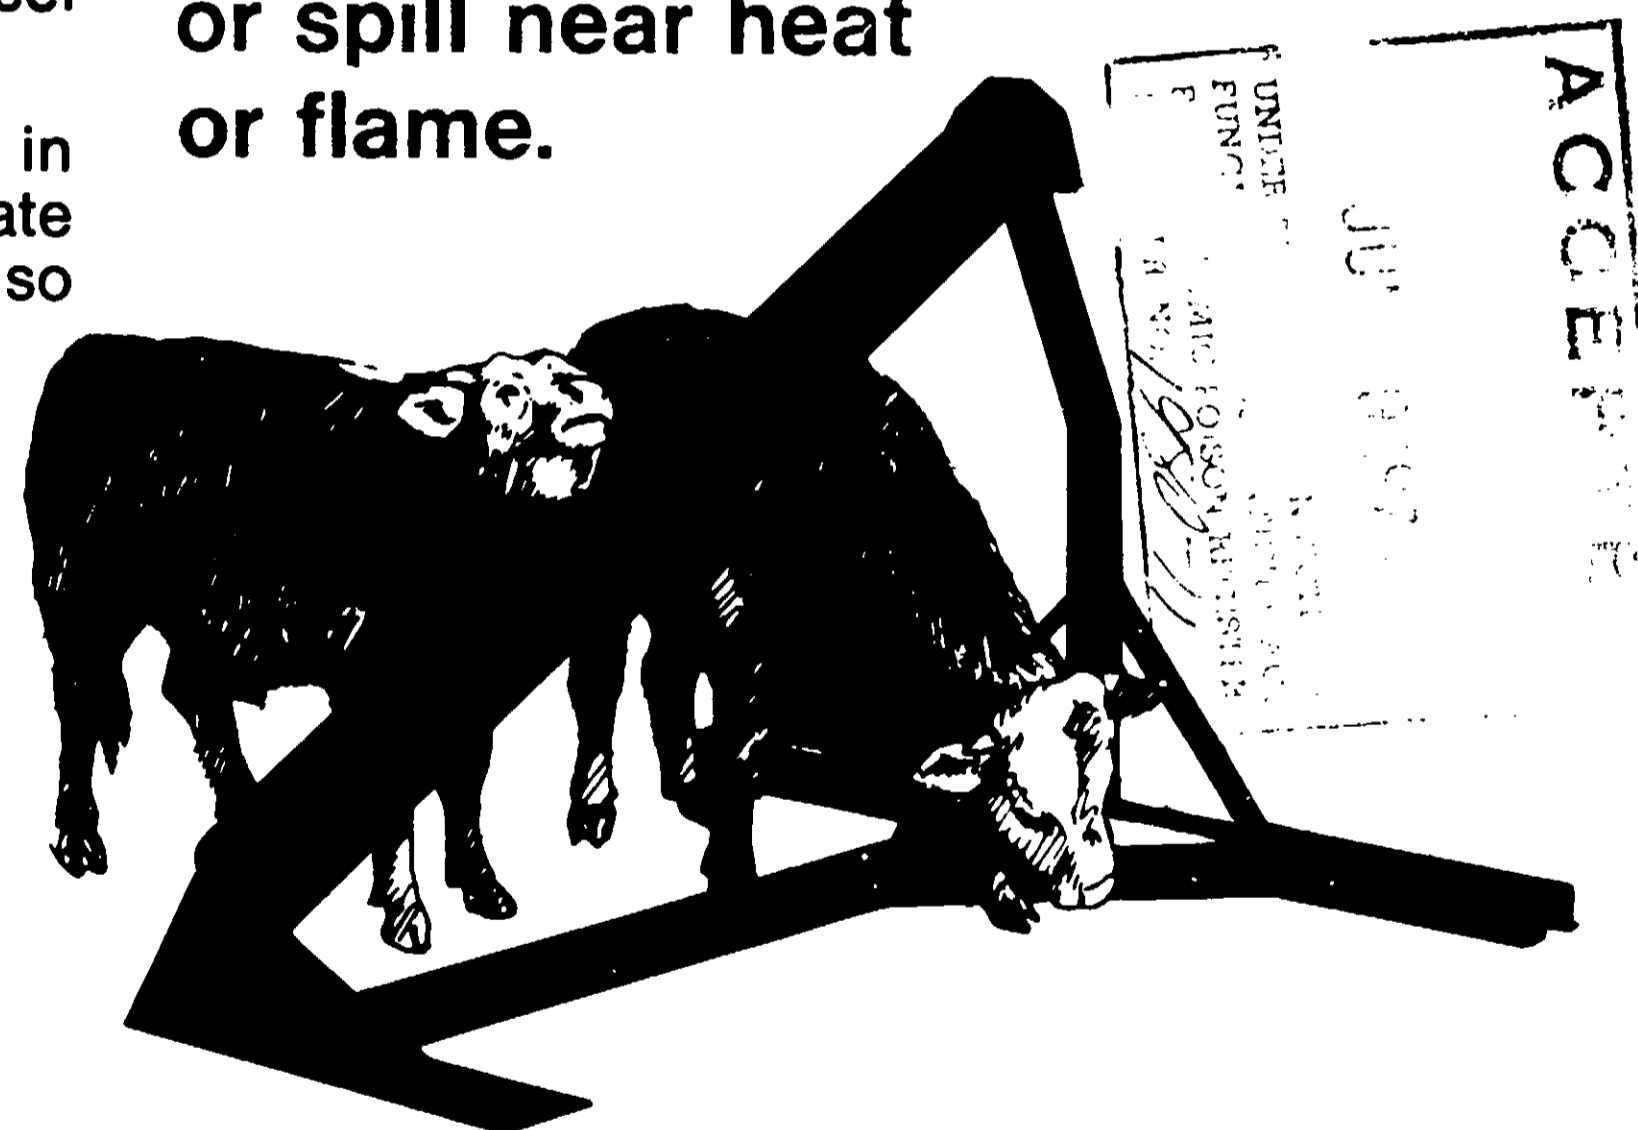

**CAUTION:** Harmful if swallowed. Avoid contact with eyes, skin, and clothing. Wash thoroughly after using. Avoid contamination of feed and food stuffs.

Do not re-use empty container. Destroy promptly by crushing and burying away from watering sources. Large drums may be returned to recondition.
