Total		100.00%

*Heptachloro 4.7- methanotetrahydroindene
(This product contains .5 pound heptachlor
per 100 pounds)

CAUTION

KEEP OUT OF REACH OF CHILDREN. Hazardous if swallowed, inhaled or absorbed through skin. Wash thoroughly with soap and water after handling and before eating or smoking. Wear clean clothing. In case of contact with skin or eyes, flush with plenty of water; for eyes, get medical attention. Avoid prolonged or repeated inhalation or contact with skin.

GENERAL DIRECTIONS

For the control of corn Rootworm, use this product at the rate of 100 to 200 pounds per acre ($\frac{1}{2}$ to 1 lb. actual heptachlor) as a band treatment with starter fertilizer attachment. For broadcast treatment use 200 to 400 lbs. (one to two pounds actual heptachlor). Disc into soil. For specific recommendations, contact your local county agent or State Experiment Station.

Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals. To protect fish and wildlife, do not use where runoff will contaminate streams, lakes or ponds. Use this product only for recommended purposes and at recommended dosages.

NOTICE OF WARRANTY

Consumers Cooperative Association warrants (its liability being limited to the purchase price of the product named on this label) that this product consists of the ingredients specified, but makes no other warranty or representation of any kind, expressed or implied, including any warranty or representation regarding the effect or result of this product's use, whether or not the product is used in accordance with directions, and shall have no responsibility whatsoever for injury to persons, or loss or damage to property resulting from the handling, storage, or use of this product. The user or buyer shall be deemed to have accepted these conditions, which may be varied only by agreement in writing signed by duly authorized representatives of Consumers Cooperative Association.
