CAUTION

KEEP OUT OF REACH OF CHILDREN. Hazardous if swallowed, inhaled or absorbed through skin. Wash thoroughly with soap and water after handling and before eating or smoking. Wear clean clothing. In case of contact with skin or eyes, flush with plenty of water; for eyes, get medical attention. Avoid prolonged or repeated inhalation or contact with skin.

GENERAL DIRECTIONS

For use on corn to control non resistant corn rootworm. Band treatment apply 100 to 200 pounds per acre ($\frac{1}{2}$ to 1 lb. actual heptachlor per acre) with starter fertilizer attachment at time of planting. For preplant, broadcast, treatment use 200 to 400 pounds per acre (1 to 2 lbs. actual Heptachlor). Disc into soil. For specific recommendations, contact your local county agent or State Experiment Station.

This product is toxic to fish and wildlife. Keep out of lakes, ponds, and streams. Do not apply to any area not specified on the label. Do not apply where runoff is likely to occur.

NOTICE OF WARRANTY

Farmland Industries, Incorporated warrants (its liability being limited to the purchase price of the product named on this label) that this product consists of the ingredients specified, but makes no other warranty or representation of any kind, expressed or implied, including any warranty or representation regarding the effect or result of this product's use, whether or not the product is used in accordance with directions, and shall have no responsibility whatsoever for injury to persons, or loss or damage to property resulting from the handling, storage, or use of this product. The user or buyer shall be deemed to have accepted these conditions, which may be varied only by agreement in writing signed by duly authorized representatives of Farmland Industries, Incorporated.
