PLEASANTLY SCENTED

HADABUG QUALITY MOSQUITO SPRAY

DIRECTIONS

For Bedroom:
Keep a can of Hadabug handy at night. When pesky mosquitos disturb your sleep, just spray a few quick bursts of Hadabug above and around the bed.

For Flying Insects:
To kill mosquitoes, flies, gnats, wasps, close windows and doors and spray Hadabug. Direct spray mist upwards and in all directions. Do not remain in treated areas. Ventilate the area after treatment is completed.

DON'T WASTE HADABUG
— A LITTLE DOES A LOT

WARNING: Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator.
