PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed. Avoid contact with eyes, skin or clothing. Wash thoroughly after handling. This product is extremely toxic to aquatic invertebrates. Do not contaminate water by cleaning of equipment or disposal of wastes. Consult a physician if swallowed or if irritation occurs.

STORAGE AND DISPOSAL

Storage: Store at room temperature  
Disposal: Do not reuse empty container. Rinse thoroughly before discarding in trash.

DRAFT LABELING  
MYCODEX® PET SHAMPOO WITH CARBARYL

(Right Panel)

**Indications:** A routine cleansing shampoo to restore natural luster to the hair-coat of horses, dogs and cats. Kills fleas, lice and ticks. Do not use on pregnant animals.

**Caution:** Do not treat foals, puppies, or kittens under 4 weeks of age. Wash thoroughly after handling. For external use only.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. As a precaution, a bland ophthalmic ointment may be placed in the eyes prior to bathing to prevent possible irritation.

Thoroughly wet the entire hair-coat with warm water and then apply enough shampoo to make a lather and work thoroughly into hair-coat. For best therapeutic effects, allow lather to remain in contact with skin for five minutes before rinsing.

Rinse thoroughly.

Use no more than once weekly. Do not allow to get into eyes or on scrotum.
