MYCODEX®
PET SHAMPOO
with CARBARYL

Complimentary First Bath

INDICATIONS: A routine cleansing shampoo to restore natural luster to the coat of dogs and cats. Kills fleas, lice and ticks. Do not use on pregnant animals.

CAUTION: May be harmful if swallowed. Avoid contact with skin, eyes or clothing. In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if inhalation persists. This product is extremely toxic to aquatic invertebrates. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not treat puppies or kittens under 4 weeks of age.

DIRECTIONS: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. As a precaution, a bland ophthalmic ointment should be placed in the eyes prior to bathing to prevent possible irritation. Thoroughly wet the entire hair coat with warm water and then apply enough shampoo to make a lather and work thoroughly into the hair coat. For best effects, allow lather to remain in contact with the skin for five minutes before rinsing. Rinse thoroughly. Use no more than once weekly. Do not allow to get into eyes or on mucous.

Active Ingredients:
Carbaryl (1-Naphthyl
N-methylcarbamate) 0.50%
Inert Ingredients 99.50%
Total 100.00%
