DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. As a precaution, a bland ophthalmic ointment should be placed in the eyes prior to bathing to prevent possible irritation. FOR USE ON DOGS ONLY.

Thoroughly wet the entire hair-coat with warm water and then apply enough shampoo to make a lather and work thoroughly into the coat and skin. For best results allow lather to remain in contact with skin for five minutes before rinsing. Rinse thoroughly. Product contains emollient and may be repeated semiweekly or weekly as required.

Follow a complete MYCODEX® pest control program as recommended by your veterinarian.

Control No.

Delete "FOR USE ON DOGS ONLY." in line four.

Left Side Panel
