PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed
or absorbed through skin. Avoid skin contact.
May cause eye irritation. Avoid contact with
eyes. Wash thoroughly after handling. Do not
use on animals under 12 weeks. Consult a
veterinarian before using this product on
debilitated, aged, pregnant or nursing animals,
or animals on medication. Sensitivities may
occur after using ANY pesticide product for
pets. If signs of sensitivity occur bathe your
pet with mild soap and rinse with large
amounts of water. If signs continue, consult a
veterinarian immediately.

FIRST AID

IF SWALLOWED

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF IN EYES

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

As a precaution, a bland ophthalmic ointment should be placed in the eyes prior to bathing to prevent possible irritation.

Thoroughly wet the entire hair-coat with warm water and then apply enough shampoo to make
