NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)( ) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 2097-18" to your label before you release the product for shipment.
3. You must submit a 12-month storage stability study on this formulated product with 14 months from date of this Registration Notice. Refer to comment #2 of EPA letter dated July 5, 1989 for detailed information.
4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Left Side Panel

**INDICATIONS:** A shampoo for the control of fleas and brown ticks on dogs and fleas on cats. Restores natural luster to the hair-coat.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**STATEMENT OF PRACTICAL TREATMENT:**

**If Swallowed:** Call a physician or Poison Control Center immediately. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

**If On Skin:** Remove contaminated clothing and wash affected areas with soap and water.

**If In Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists.

**CAUTIONS:** May cause eye irritation. Harmful if swallowed or absorbed through skin. Avoid contact with eyes. Do not get in pets' eyes, face, or on genitalia. Do not use on nursing puppies or kittens under 3 months of age. Do not use this or any other pesticide on sick, old, or debilitated pets.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not apply directly to any body of water. Do not contaminate water with disposal of equipment washwaters.

**STORAGE AND DISPOSAL**

**STORAGE:** Store at room temperature.

**DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection.

### DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

When shampooing animal, avoid eyes. Use cloth or sponge to shampoo and rinse area around animal's eyes. Wear rubber gloves (mitts) when applying this product.

Thoroughly wet the entire hair-coat with warm water and then apply enough shampoo to make a lather and work thoroughly into hair-coat. For maximum parasite control allow lather to remain in contact with skin for five to ten minutes before rinsing. Rinse thoroughly.

Repeat treatment when necessary.

Control No.
