### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not contaminate water with disposal of equipment washwaters.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

When shampooing animal, avoid eyes. Use cloth or sponge to shampoo and rinse area around animal's eyes. Wear rubber gloves (mitts) when applying this product.

Thoroughly wet the entire hair-coat with warm water and then apply enough shampoo to make a lather and work thoroughly into hair-coat. For maximum parasite control allow lather to remain in contact with skin for five to ten minutes before rinsing. Do not reapply product for 7 days.

Do not use on nursing puppies or kittens under 12 weeks of age.

Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

### STORAGE AND DISPOSAL

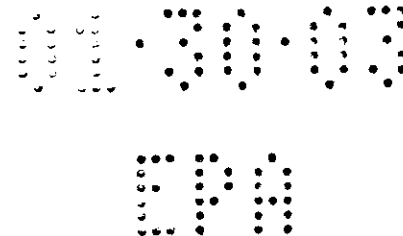

**STORAGE:** Store at room temperature

**DISPOSAL:** **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
