**DIRECTIONS FOR USE:** For the control of ants, roaches, spiders and silverfish, distribute **Drianone** at the rate of 2 ounces per 100 square feet of surface area in visible concentration beneath, around and behind such appliances as stoves, sinks and refrigerators. Apply a continuous visible film on and behind all molding, shelving, baseboard and pipe openings, as well as in cracks and crevices where insects may hide. In cases of severe infestation, apply **Drianone** in cabinets, crawl spaces, attics and behind walls at the rate of 16 ounces per 1000 square feet of surface area. Repeat as necessary. For the control of bed bugs, dust infested areas, including bedstead, springs, mattress and hiding places. Repeat treatment as necessary.

For the control of dry wood termites, use an electric or hand operated duster to distribute **Drianone** through an entry into the attic or crawl space area of the building. An application rate of one (1) pound per 1000 square feet of surface area is recommended. All wood surfaces must be covered with a visible dust film. Close all vents and louvers during treatment. Repeat as necessary.

# DRIANONE

CONTAINS PYRENONE™ AND DRI-DIE™

**DRIANONE** is a highly effective insecticide dust that kills insects on contact through a physical-chemical action. It is non-staining. **Drianone** may be used in the home, office, restaurant, factory, hotel and motel. It kills ants, roaches, spiders, silverfish, bed bugs on contact and protects against the entrance of dry wood termites into buildings.

Active Ingredients.

Petroleum Hydrocarbons	49.00%	by wt.
Amorphous Silica Gel**	38.12%	by wt.
Piperonyl Butoxide Technical***	10.00%	by wt.
Ammonium Fluosilicate	1.88%	by wt.
Pyrethrins	1.00%	by wt.

\*\*\*Equivalent to 8.00% of (butylcarbityl) (6-propylpiperonyl) ether and to 2.00% of related compounds

\*\*S 1 0 2-90%

**CAUTION: KEEP OUT OF REACH OF CHILDREN.  
HARMFUL IF SWALLOWED.**

Avoid inhalation. Cover all exposed food and food stuffs before application. Cover or remove fish bowls and aquariums before applying.
