CAUTION!

KEEP OUT OF REACH OF CHILDREN
(See additional cautions and directions below)

MAY CAUSE IRRITATION OF NOSE, THROAT AND SKIN! AVOID BREATHING DUST.

AVOID CONTACT WITH EYES, SKIN AND CLOTHING. In case of contact, flush with plenty of water. For eyes, get medical attention.

This product is toxic to fish. Keep out of lakes, streams, and ponds. Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed by punching holes in them and burying with wastes, or by burning (Keep out of smoke).

DIRECTIONS FOR USE

For prevention of Tobacco Blue Mold start dusting when plants are about the size of a dime or when blue mold is first reported in the area, and dust regularly twice a week at the following rates per 100 sq. yds.

Applications	Pounds
First to Fourth	1 to 1½
Fifth and Sixth	2 to 2½
Seventh and subsequent	3 to 3½

Fifty pounds of dust should be sufficient to treat 200 sq. yds. for the season. Use Rotary or Hand custer to apply. Plants should have a visible

coating of dust after application. Repeat if rained off.

NOTICE: Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
