

**NACO**

**RESIDUAL TYPE**

**KILLS:** Roaches, Ants, Flies, Mosquitoes, Fleas (outdoors), Waterbugs, Wasps, Brown Dog Ticks, Silverfish, Spiders, Crickets, Chiggers, Flying Moths, Carpet Beetles.

**DIRECTIONS FOR USE**

Spray infested surfaces only until wet.

**ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS:** Spray heavily into all cracks around baseboards and other places where these insects hide. Also spray until wet, surface behind and beneath cabinets, refrigerators, sinks, stoves, etc. for localized areas infested with these pests. Repeat treatment as required.

**CARPET BEETLES:** Make localized application to areas of the carpet and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

**BROWN DOG TICKS:** Thoroughly spray infested areas around baseboards, windows and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.

**DIRECTIONS Continued :**

**FLIES, MOSQUITOES, WASPS AND FLYING MOTHS OUT-DOORS:** For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

**FLEAS, CHIGGERS, ANTS AND BROWN DOG TICKS OUT-DOORS:** For treatment of localized infestations of these insects in outdoor areas where there is no vegetation, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as re-infestations occur.

**NOTICE:** Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
