

READ ENTIRE LABEL CAREFULLY BEFORE USE. OBSERVE ALL CAUTIONS. USE ONLY ACCORDING TO LABEL INSTRUCTIONS.

**DIRECTIONS FOR USE**

Apply dust directly from can by punching out holes in top; or apply with a hand duster.

**ANTS**

In Lawns. Apply directly to anthills. Water thoroughly to get material down into nests. Also apply to ant-trails and places where ants are known to frequent.

For Flowers and Ornamentals. Apply on soil only around base of plants.

**LAWN INSECTS**

To control ants, chiggers, mole crickets, ticks, apply at rate of 1 pound per 1,000 square feet. Water material down into soil thoroughly.

**SOIL INSECTS**

Lawns. To control white grubs apply at rate of 1 pound per 800 square feet. For Japanese beetle grubs use 1 pound per 500 square feet. Water thoroughly after application to get material down into soil. To control Spd Webworm (Lawn Moth) use 1 pound per 800 square feet; water lawn thoroughly before application and do not water again for several days. Remains effective entire season.

Gardens. Apply to soil before planting, or at planting or transplanting time only. Do not contaminate edible parts. Apply at rate of 1 pound per 1,000 square feet and work into top 2 or 3 inches of soil around base of plants. Controls: Asiatic garden beetle grubs, cutworms, Japanese beetle grubs, white-fringed beetle grubs, white grubs, wireworms on beans, beets, cabbage and

other cole crops, cantaloupes, cucumbers, eggplants, melons, onions, peppers, radishes, strawberries, tomatoes, turnips; cabbage and onion maggots on cabbages and onions.

**EARWIGS**

Apply to infested areas at rate of 1 pound per 1,000 square feet. Apply around fences, house foundations, and refuse, trash and compost piles. Also treat lawns.

**CAUTION**

Harmful if swallowed. Avoid inhalation of dust. Avoid contact with skin. Wash hands after using. Avoid contamination of feed, foodstuffs, cooking utensils.

This product is toxic to fish and wildlife. Keep out of any body of water. Birds feeding on treated areas may be killed.

This product is highly toxic to bees exposed to direct treatment, or to residues on crops. Protective information may be obtained from your Co-operative Agricultural Extension Service.

Do not reuse empty container. Destroy it by breaking, perforating or crushing. Bury or discard it in a safe place.

**NOTICE.** Seller makes no warranty of any kind, express or implied, concerning effects of use of this product other than those specified on this label. Buyer, or User, accepts all responsibility for results due to misuse of this product.
