FORE

Lawn & Ornamental Fungicide
CONTROLS: BLACK SPOT ON ROSES, BROWN PATCH
ON TURF AND OTHER LISTED PLANT DISEASES

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS: This fungicide is toxic if swallowed. It is irritating to the eyes, nose, and throat. It may cause dizziness and headache. It is not recommended for use in areas where children or domestic animals are present. Wear protective clothing and avoid breathing the spray. Wash thoroughly after use.

DIRECTIONS FOR USE

STORAGE AND DISPOSAL:

Store in original container. Do not use if container is damaged. Do not mix with other chemicals. Dispose of empty container by puncturing and crushing. Do not reuse for food or feed.

LAWN AND TURF

Apply to dry lawn and turf. Use a broadcast spreader. Apply at a rate of 1/2 to 1 lb. per 1,000 sq. ft. Water thoroughly after application. Do not mow for 24 hours after application.

ORNAMENTALS

Apply to ornamental plants. Use a backpack sprayer. Apply at a rate of 1/2 to 1 lb. per 1,000 sq. ft. Water thoroughly after application. Do not spray during bloom.

USE SPREADER STICKER TO IMPROVE WETTING AND DISTRIBUTION

NOTE

For more information, see the label. For a complete list of diseases controlled, see the label.
