

# ROSE and Floral DUST

USE AS DUST OR SPRAY!

INSTRUCTIONS FOR USE

Control common insects and diseases in the garden before the insects become numerous or the diseases apparent. Keep all plant surfaces protected throughout the growing season. Apply regularly at 7 to 14 day intervals. During humid periods and periods of new growth apply every 4 to 5 days.

**DUSTING.** Material is ready for use and can be dusted from the sifter can or transferred to a dust gun. The best time to apply is early morning or late afternoon.

**SPRAYING.** Prepare a thin, smooth paste by mixing a little water with 8 tablespoons of material. Add paste to water in sprayer to make 1 gallon. Mix thoroughly. Apply with sprayer designed for garden use. 1 lb. makes 10 gallons of spray. **AGITATE SPRAY WHILE USING.** Do not store mixed spray.

### INSECT CONTROLLED ON ROSES AND FLOWERS

**Aphids, Japanese Beetles, Leaf Rollers, Rose Chafers, Rose Leafhoppers, Rose Slugs, Red Spider Mites.**

### INSECTS CONTROLLED ON ORNAMENTAL SHRUBS

# ROSE and Floral DUST

For control of insects and fungi on roses and other flowering plants. This dust is a combination of insecticide and fungicide. It is effective against a wide range of insects and fungi that cause damage to roses and other flowering plants. It is easy to apply and provides long-lasting protection.

**Controls:** Japanese Beetles, Leaf Rollers, Rose Chafers, Rose Leafhoppers, Rose Slugs, Red Spider Mites.

**Controls:** Bagworms, Boxwood Leaf Miners, Eucalyptus Scale, Green Lacewing Larvae, Japanese Beetles, Spider Mites.

**Controls:** Black Spot, Powdery Mildew, Rust, Alternaria Leaf Spot, Anthracnose, Botrytis Blight, Dieback, Leaf Spot, Nematodes, Red Spider Mites, Scale, Whitefly, Yellowing, and other plant diseases.

**Rate:** 1/2 ounce per 100 square feet of foliage.

Apply dust to the undersides of leaves and other parts of the plant where insects and fungi are most likely to be found. Repeat applications as needed.

For more information on plant diseases and insect control, see the back panel of this product.
