A combination fungicide and insecticide to be applied to bulbs before storing or planting. Contains THIRAM to help control storage rot and METHOXYCHLOR to control thrips. Bulbs, corms, and rhizomes, including those of Gladiolus, Hyacinth, Iris, Lily, Narcissus, and Tulip, should be treated as directed.

DIRECTIONS FOR USE

PRIOR TO STORAGE: Lift bulbs after foliage has ripened but before skins become brittle and break. Cut off foliage after the outside of the bulbs have dried; wipe off soil and old skins. Place bulbs in paper bag with Science GLADIOLUS AND BULB DUST. Shake gently to coat the bulbs thoroughly; or place bulbs in a box or basket and dust thoroughly with this product. Store bulbs in shallow, wire mesh trays in a draft free location under proper humidity and temperature conditions for the specific bulb type.

PRIOR TO PLANTING: Treat as in the foregoing. Bulbs already treated prior to storage, if properly coated, require no further treatment. Plant in properly prepared soil.

AS A DIP: For storage rot only. Mix 2 oz. in 3 quarts water or 1 lb. in 6 gallons. Place bulbs in wire basket or loosely woven bag. Agitate mixture thoroughly and dip bulbs in mix just long enough to wet them thoroughly. Bulbs may be planted while wet; if they are to be stored, spread them out to dry before storing.

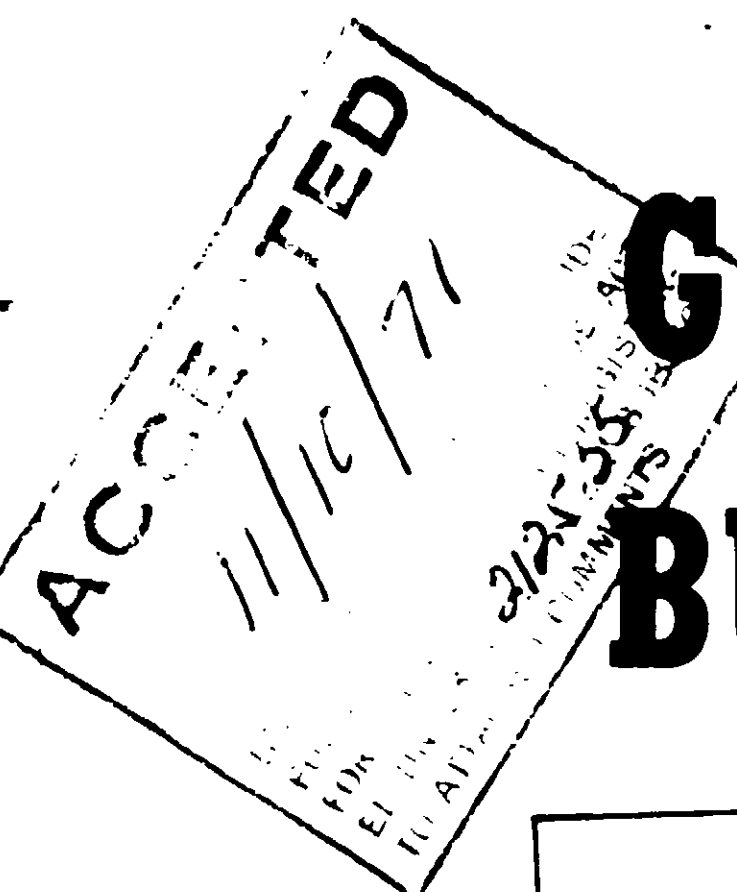

CAUTION: Harmful if swallowed or inhaled. May irritate eyes, nose, throat and skin. Do not inhale dust; do not get in eyes or on skin. In case of contact, flush skin or eyes with plenty of water; for eyes, get medical attention. Wash thoroughly after handling. Avoid handling this product with bare hands. Wear gloves impervious to this material such as rubber or plastic gloves. Avoid contamination of food, food stuffs, food utensils.

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes.

NOTICE: Seller makes no warranty of any kind, express or implied, concerning effects of use of this product other than those specified on this label. Buyer or User accepts all responsibility for results due to misuse of this product.
