PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: CAUTION--Causes eye and skin irritation. Harmful if swallowed, inhaled or absorbed through skin. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Avoid inhaling of spray mist or dust. Do not use or store near food or feed.

During commercial exposure in seed treatment and loading operations, wear goggles, clean rubber gloves, protective clothing, and a pesticide respirator jointly approved by the Mine Safety and Health Administration (formerly the U.S. Bureau of Mines) and by the National Institute of Occupational Safety and Health under provisions of 30 CFR, Part 11. Wash hands, arms and face thoroughly with soap and water after handling and before eating or smoking. Routinely shower or bathe after work; wash all clothing with soap and water before reusing.

Consumption of alcoholic beverages increase the toxic effects of thiram.

ENVIRONMENTAL HAZARDS

This pesticide product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. Drift or runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not apply directly to water or wetlands.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in tightly closed, original container in a locked area away from children and domestic animals. Do not reuse empty container.

DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

RE-ENTRY AND ADDITIONAL APPLICATION RESTRICTIONS FOR CROPS REQUIRING HAND LABOR TASKS

Do not apply this product in such a manner as to directly, or through drift, expose workers or other persons. The area treated must be vacated by unprotected persons.

Do not enter treated areas without protective clothing, until sprays have dried. Protective clothing means at least a hat or other suitable head covering, a long-sleeved shirt and long-legged trousers or a coverall type garment (all closely woven fabric covering the body), shoes and socks. Wear rubber gloves and protective clothing when handling products treated with thiram.

Do not reenter treated areas within 24 hours following application unless protective clothing is worn.

DIRECTIONS

RESTRICTION: Do not rotate crop with crops other than those with registered thiram uses.

SEEDLINGS THAT ARE TREATED WITH THIS PRODUCT MUST BEAR DISTINCT LABELING THAT INSTRUCTS:

CAUTION: Treated with thiram. Wear rubber gloves and protective clothing when handling products treated with thiram. Direct exposure to skin may result in severe irritation.

5432

A combination fungicide and insecticide to be applied to bulbs before storing or planting. Contains THIRAM to help control storage rot and METHOXYCHLOR to control thrips. Bulbs, corms, and rhizomes, including those of Gladiolus, Hyacinth, Iris, Lily, Narcissus, and Tulip should be treated as directed.

PRIOR TO BULB STORAGE: Lift bulbs after foliage has ripened but before skins become brittle and break. Cut off foliage after the outside of the bulb. Have dried; wipe off soils and old skins. Place bulbs in paper bag with GLADIOLUS AND BULB DUST. Shake gently to coat the bulbs thoroughly; or place bulbs in a box or basket and dust thoroughly with this product. Store bulbs in shallow, wire-mesh trays in a draft-free location under proper humidity and temperature conditions for the specific bulb type.

PRIOR TO PLANTING: Treat as in the foregoing. Bulbs already treated prior to storage, if properly coated, require no further treatment. Plant in properly prepared soil.

AS A DIP: For storage rot only. Mix 2 ounces in 3 quarts water or 1 pound in 6 gallons. Place bulbs in wire basket or loosely woven bag. Agitate mixture thoroughly and dip bulbs in mix just long enough to wet them thoroughly. Bulbs may be planted while wet. If they are to be stored, spread them out to dry before storing.

LIMITED WARRANTY: Seller makes no warranty or guarantee of any kind, express or implied, concerning effects of use of this product, other than those specified on this label. Buyer, or User, accepts all responsibility for results due to misuse of this product.
