Kor-X-All Company
216 NW. Tenth Street
Evansville, IN 47705

Attention: Irving M. Senzell

Gentlemen:

Subject: KOR-X-SUPER FORMULA 1622
EPA Registration No. 2144-8
Your Submission Dated September 12, 1986

The amendment referred to above, submitted in connection with the Label Improvement Program Notice for Antimicrobial Products Used as Food Contact Surface Sanitizers, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
 - a. Under the DIRECTIONS FOR USE heading, add the following misuse statement:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
 - b. The major area(s) in which the product is recommended for use as a sanitizer (e.g., restaurants, dairies, food processing plants) must be listed in paragraph 1.
 - c. Expand the directions under paragraph 1 to include the removal of gross food particles and soil by a preflush, or prescrape and when necessary, presoak treatment. In addition, instructions must be provided for a thorough washing of surfaces or objects with a good detergent or compatible cleaner followed by a potable water rinse before application of the sanitizing solution.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment.
