

EPAPR

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL WEED CONTROL: To control most weeds and grasses on non-cropland areas, such as railroad right-of-ways and industrial sites for an extended time, apply 43.5 gallons per acre of undiluted weed killer after the most predominant weeds have emerged. No dilution is required.

NOTE: Users should consult State Agricultural Experiment Stations or Extension Service Weed Specialists for recommendations as to use of this weed killer in their particular area.

IMPORTANT: Do not apply directly to or otherwise permit contact of weed killer to contact susceptible plants as this may injure corn, beans, peas, grapes, flowers, fruit trees, ornamentals or other desirable plants. Avoid spray drift to such susceptible plants (coarse sprays are less likely to drift). Vapors from this product may injure susceptible plants in the immediate vicinity. Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes (or do not use same equipment for other purposes). Do not store near fertilizers, seeds, insecticides or fungicides. Apply any time of year except when ground is frozen. Best results are obtained after predominant species are well established in late spring or early summer. Before treating, calibrate equipment to insure uniform coverage of the area to be treated. Measure out the proper amount and apply. Coarse sprays are less likely to drift.

EQUIPMENT: This weed killer can be applied with railroad on-track, truck mounted or other standard spraying equipment. For treating small areas, tank-type hand sprayers or sprinkling can be used.

NOTICE OF WARRANTY: The manufacturer makes no warranties, expressed or implied, concerning the use of this product other than those indicated on the label. Purchaser assumes all risks of use and handling of this material when such use and handling are contrary to label instructions.

D-WEED-O

FORMULA NO. 4

NON-SELECTIVE WEED KILLER

CONTROLS WEEDS AND GRASSES BY CONTACT AND ROOT ACTION

ACTIVE INGREDIENTS	
Petroleum Oil	97.81% ✓
2,4-Dichlorophenoxyacetic acid isooctyl ester	1.09%
Bromacil (5-bromo-3-sec-butyl-6-methyluracil)	0.98% ✓
INERT INGREDIENTS	0.12%
Total 100.00%	
2,4-Dichlorophenoxyacetic acid equivalent	0.70%

FIRST READ ENTIRE LABEL. OBSERVE ALL WARNINGS AND FOLLOW DIRECTIONS CAREFULLY. USE ONLY IN CONFORMANCE WITH FEDERAL AND STATE REGULATIONS.

WARNING: KEEP OUT OF REACH CHILDREN
Harmful if swallowed or absorbed through skin. Causes skin irritation. See side panels for additional precautions.

For commercial and industrial use only, or for sale to, use and storage by service persons.

Manufactured By:
I. SCHNEID, INC.
1429 Fairmont Avenue, N.W.
Atlanta, Georgia 30381-4601

PRECAUTIONARY STATEMENTS: HAZARDOUS TO DOMESTIC ANIMALS

WARNING: May be fatal if swallowed, absorbed through skin or inhaled. Causes skin irritation. Use waterproof gloves when handling concentrate. Do not breathe vapors or dust. Wash thoroughly after handling. Keep out of reach of children, on humans, household pets or livestock. Treat areas until material is washed into soil.
IF SWALLOWED: Do not induce vomiting. Seek medical attention.
NOTE TO PHYSICIAN: Aspiration hazard in case of gastric lavage.
IF IN EYES: Flush with plenty of water. Get medical attention.
IF ON SKIN: Wash with plenty of soap and water.
IF INHALED: Remove victim to fresh air. Administer artificial respiration if indicated.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other animals. Do not apply to areas where treated areas may be killed. Do not contaminate water by use of this product. Do not apply to areas where treated. Do not apply to areas where treated.

STORAGE AND DISPOSAL

Pesticide wastes are toxic. Improper disposal of pesticide mixture or rinsate is a violation of Federal law. It is the responsibility of the user to be disposed of by use according to label instructions. State Pesticide or Environmental Control Agency, or the nearest EPA Regional Office for disposal.

1. PROHIBITION-DO NOT CONTAMINATE WATER, STORAGE, DISPOSAL OR CLEANING OF EQUIPMENT IS PROHIBITED.
2. Pesticide Disposal-Pesticides, spray mixtures, and concentrates must be disposed of according to label instructions must be disposed of in accordance with Federal, State or local procedures under the Resource Conservation and Recovery Act.
3. Container Disposal-a) Reseal drum and container for reuse or Triple rinse (or equivalent) and offer for recycling or dispose of in a sanitary landfill or by other acceptable procedures.
