

D-WEED-O

FORMULA NO. 4
NON-SELECTIVE WEED KILLER

CONTROLS WEEDS AND GRASSES
BY CONTACT AND ROOT ACTION

ACTIVE INGREDIENTS:

2,4-Dichlorophenoxyacetic acid isooctyl ester *	1.09 %
Bromacil (5-bromo-3-sec-butyl-6-methyluracil)	0.98%
INERT INGREDIENTS	97.93%
Total	100.00%

*2,4-Dichlorophenoxyacetic acid equivalent 0.70%

FIRST! READ ENTIRE LABEL. OBSERVE ALL WARNINGS AND FOLLOW DIRECTIONS CAREFULLY. USE ONLY IN CONFORMANCE WITH FEDERAL AND STATE REGULATIONS.

WARNING: KEEP OUT OF REACH CHILDREN

Harmful if swallowed or absorbed through skin. Causes skin irritation.
See side panels for additional precautions.

NOT FOR SALE TO OR USE BY HOMEOWNERS OR RESIDENTIAL USERS

MANUFACTURED BY
I. SCHNEID, INC

ATLANTA, GA 30381

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: May be fatal if swallowed, absorbed through skin or inhaled. Causes skin irritation. Use waterproof gloves and face shield or goggles when handling concentrate. Do not breathe spray mist. Do not get in eyes or on clothing. Wash thoroughly after handling. Avoid contamination of food and feed. Keep out of reach of domestic animals. Do not use on humans, household pets or livestock. Keep children and pets off treated areas until material is washed into the soil and grass is dry.

IF SWALLOWED: Do not induce vomiting. Get medical attention.

NOTE TO PHYSICIAN: Aspiration hazard may counterindicate the use of gastric lavage.

IF IN EYES: Flush with plenty of water. Get medical attention.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from areas treated. Do not apply directly to water.

STORAGE AND DISPOSAL:

1. **PROHIBITION:** DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE, DISPOSAL OR CLEANING OF EQUIPMENT. OPEN DUMPING PROHIBITED.

2. **PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

3. **CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and disposed of in a sanitary landfill, or by other procedures approved by state and local authorities.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL WEED CONTROL: To control most weeds and grasses on non-cropland areas, such as railroad right-of-ways and industrial sites, for an extended time, apply 43.5 gallons per acre of undiluted weed killer after the most predominant weeds have emerged. No agitation is required.

NOTE: Users should consult State Agricultural Experiment Stations or Extension Service Weed Specialists for recommendations as to use of this weed killer in their particular area.

IMPORTANT: Do not apply directly to or otherwise permit this weed killer to contact susceptible plants as this may injure cotton, beans, peas, grapes, flowers, fruit trees, ornamentals or other desirable plants. Avoid spray drift to such susceptible plants (coarse sprays are less likely to drift). Vapors from this product may injure susceptible plants in the immediate vicinity. Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes (or do not use same equipment for other purposes). Do not store near fertilizers, seeds, insecticides or fungicides. Apply any time of year except when ground is frozen. Best results are obtained after predominant species are well established in late spring or early summer. Before treating, calibrate equipment to insure uniform coverage of the area to be treated. Measure out the proper amount and apply. Coarse sprays are less likely to drift.

EQUIPMENT: This weed killer can be applied with railroad on-track, truck mounted or other standard spraying equipment. For treating small areas, tank-type hand sprayers or sprinkling can be used.

NOTICE OF WARRANTY: The manufacturer makes no warranties, expressed or implied, concerning the use of this product other than those indicated on the label. Purchaser assumes all risks of use and handling of this material when such use and handling are contrary to label instructions.
