April 1, 1983

Dear Ms. Vickery:

**Subject: Amendment/Label Format Update and Add
 Sprayer Directions
 St. Augustine Grass Broadleaf Herbicide
 EPA Registration No. 2155-62
 Your Submission Dated March 18, 1983**

The amendment referred to above, submitted in connection with registration under FIFRA is acceptable, provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Move the paragraph "Avoid drift of spray mist...roots of desirable trees and shrubs," from the Hazards to Humans section. The statement "Do not store..." should appear in the Storage and Disposal section. The remaining statements are appropriate in the Directions for Use section (or if you prefer a subsection such as "Use Precautions.")
 - b. Change "Do not induce vomiting" to:

Drink one or two glasses of water. Induce vomiting by placing finger in back of throat. Call a physician. Never give anything by mouth to an unconscious person

or provide the basis for the existing statement.
 - c. Under Environmental Hazards, delete "This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed," or provide the basis for the addition of these statements.

2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Richard P. Mountfort *RFM*
Product Manager (23)
Fungicide-Herbicide Branch
Registration Division (TS-767)
