Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is reregistered in accordance with FIFRA Section 4(g)(2)(C). Reregistration under this section of the Act does not eliminate the need for continual assessment of the registration of this product. Reregistration base on your response to the EPA Reregistration Eligibility Decision (RED) is conditional until you:

1. Make the following label changes:
 - a. Please delete the statement "DURING AERIAL APPLICATION, HUMAN FLAGGERS ARE PROHIBITED UNLESS IN TOTALLY ENCLOSED VEHICLES" from the product labeling.
 - b. Under the heading entitled Precautionary Statements, please incorporate a User Safety Recommendations box on the product labeling with lines or other graphic indicators that clearly separate this section from the surrounding text. The box must include the following statements:

"User Safety Recommendations"

"Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet."

"Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing."

"Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing."

- c. Under the heading entitled Precautionary Statements, please incorporate the following user safety requirements:

"Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry."

- d. Under the heading entitled Precautionary Statements in the fourth sentence, please delete the statement "rubber gloves." The statement must be superseded by the words "chemical resistant gloves"

- e. Under the heading entitled Directions For Use, please incorporate the following application restriction:

"Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application."

2. Submit two copies of the revised final printed label for the record.

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of the condition. A stamped copy of the label is enclosed for your records.
