

DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

For cleaning food handling equipment and utensils, use 2 1/4 ounces per gallon. Rinse all food contact surfaces and equipment with water before reuse.

For heavy duty cleaning and disinfecting, use 7 1/4 ounces per gallon.

For fungicidal activity against pathogenic fungi in locker rooms and showers, use 4 ounces per gallon.

For best results, use solution with a cloth or mop and apply to walls, floors and other hard surfaces.

For extra heavy duty industrial cleaning, use a second application.

Do not mix with soap or anionic solutions.

Product is noncorrosive in use dilutions on inanimate surfaces.

STORAGE AND DISPOSAL

STORAGE: Keep container closed when not in use.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. Do not contaminate water, food, or feed by storage or disposal.

CONTAINER DISPOSAL: Metal Containers - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Plastic Containers - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
