(Continue

To deodorize surfaces during cleaning, mop or brush with a solution containing 4 ounces of this product per gallon of water. This product is an antibacterial cleaner designed for use in household, industrial and institutional cleaning. When used as directed, this product will disinfect hard surfaces such as floors, walls, counter tops and furniture. It may be relied upon in bathroom areas, garbage pails, food storage areas, kennel areas where obnoxious odors may develop. This product is a general antibacterial-antifungal detergent in homes, schools, hospitals, nursing homes, public rooms, food processing plants, and other places where efficient cleaning and antimicrobial action is desired. See right panel for directions.)

WARNING

Keep out of reach of children. Causes eye or skin irritation. Do not use on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID

If swallowed, drink promptly a large quantity of milk, egg white or if these are not available, drink large quantities of water. A physician should be consulted immediately. In case of contact, immediately flush eyes or skin with plenty of water for 15 minutes. For eyes, call a physician. Remove and wash container before reuse.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD, OR FEED BY DISPOSAL.

STORAGE: Keep container closed when not in use.
PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. It is the responsibility of the user to dispose of these wastes in a manner consistent with the label instructions. For more information, contact your State Pesticide or Environmental Control Agency, or the nearest EPA Regional Office for guidance.
CONTAINER DISPOSAL: Triple rinse (or equivalent). Then recycle or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
